

## CALL FOR PAPERS

### I INTERNATIONAL CONSCIENCIOMETROLOGY DAY

“Conscienciometry: to those who aim to change evolutionary level”

July, 06th, 07th e 08th 2012

Discernimentum - Cognópolis – Foz do Iguaçu/PR

#### I. INVITATION

The International Association for Interassistential Conscienciometry – CONSCIUS invites researchers interested on debate, publish and share your work and results on Conscienciometrology co-related to Conscienciology research areas, (see themes list below) to **I International Conscienciometrology Day**. The event will take place on July, **6<sup>th</sup> to 8<sup>th</sup> 2012**, at Discernimentum – Cognópolis – Foz do Iguaçu.

#### II. PRESENTATION

Conscienciometrology is the specialized area of Conscienciology applied to the study of the rules of metric, measurement conditions, function or quality of the consciousness as a “whole”, capable of settling the basis to make possible the *matematization of consciousness*, as an example, by the Conscienciogram.

#### III. EVENT OBJECTIVES

1. Promote researches integration and, updating of *state-of-the-art* researches, techniques and advancements em the area of Conscienciometrology.
2. Present, publish and disseminate the results of researches on autoconscienciometry.
3. Foment debates on Interassistential Conscienciometrology.
4. Debate the convergence between Conscienciometrology and other Conscienciology areas, aiming the joint effort of the group existential program.
5. Disseminate the Autoconscienciometric research and the Conscienciogram while technical instrumentation of the evolutionary measurement of Consciousness.

#### IV. EVENT RESEARCH THEMES

Metrical qualification of the holosomatic and consciential attributes.

##### THEMES

- Autoconscienciometry Ledger.
- Autoconscienciometric Cycle, Evolutionary Scale of Consciousness, Group Existential Program.
- Cosmoethics Personal Code (CPC), Cosmoethics Groupal Code (CGC).
- Conscienciometry and Epicentrism.
- Conscienciometry and Conscienciology areas of speciality.
- Conscienciometry and Intrapysical Society.
- Intrapysical Consciousness voluntary guinea-pig and exemplification on the Clarification task.
- Paralaw and Conscienciometry.
- Conscienciometric Interassistential psychic phenomena.
- Recyclogeny.
- Conscienciometric techniques and paratechniques .

#### V. PAPER SUBMISSION

Papers should present:

- Title, author or authors' names.
- Abstract with up to 150 words.
- keywords from 3 to 6.
- Introduction.
- Research objectives.
- Methodology applied.
- Development and Conclusion.
- Minicurriculum of the author or authors, containing: address, phone number, fax and e-mail; scholar level, if teaches or volunteers in any CI (Conscienciocentric Institution - for how long and which CI); if

**CALL FOR PAPERS**  
**I INTERNATIONAL CONSCIENTIOMETRY DAY**  
**“Conscienciometry: to those who aim to change evolutionary level”**  
July, 06th, 07th e 08th 2012  
Discernimentum - Cognópolis – Foz do Iguaçu/PR

has participated of other Conscienciometry events and condition (panelist or speaker).

- Citations: follow system (author-date) according to ABNT rules.
- References: should be in alphabetical order and follow the criteria of the Encyclopedia of Conscienciometry or ABNT.
- Paper should be sent by e-mail to: [jornadaconscienciometria@conscius.org.br](mailto:jornadaconscienciometria@conscius.org.br)

**VI. PAPER FORMAT**

- Text Editor: MS-Word for Windows.
- Paper size: Letter.
- Line space: 1,5.
- Font (type and size) Times New Roman – 12.
- Papers should have between 1500 and 5000 words.

**VII. DEADLINE FOR PAPER SUBMISSION**  
**January 6<sup>th</sup> 2012.**

**VIII. GENERAL CONDITIONS**

Papers will be selected for debate and panels, and authoral rights will be transferred to the annals of the event.

**IX. INFORMATION**

- Email: [jornadaconscienciometria@conscius.org.br](mailto:jornadaconscienciometria@conscius.org.br)
- Conscius' site: [www.conscius.org.br](http://www.conscius.org.br)

**Organization Comission:**

**General Coordination:** Ninarosa Manfroi e Etsuko Onishi

**Scientific-Technical Coordination:** Dayane Rossa e Djalma Fonseca

**Executive Coordination:** Albert Alves e Marta Lopes
